

PDF-Nano

PDF-Nano is a tiny pdf library for projects where storage space is limited. The goal is to support as many features as possible while staying below ~64kB.

Done:

- Basic Fonts/Text/Pages
- Umlaut: äöü èàé
- Lines/Tables
- Colors

· Centered

· Right Align

Todo:

- Justify Text

Table..	..header..	..with background color..
One..	Two..	Three!
